- OUR STORY -

Stokes is a fourth-generation family business, specialising in high quality teas and coffees. Our story began more than a century ago, when a young man named Robert Stokes moved to Lincoln to take a position at a grocer's. Robert quickly discovered a passion for tea and coffee, and, when he took the reins of the business in 1902, he was able to indulge this love. He quickly began to scoop up awards for his knowledge and skills, and soon took the plunge in taking on his first cafe. In 1937, the opportunity arose to move into the beautiful Tudor building which spans the River Witham and the Stokes team is still in residence there to this day watched over by Robert's great-grandchildren.

Today, Stokes aims to provide the most delicious loose-leaf teas and the finest coffees from across the globe, roasted to perfection in our roastery based at The Lawn, Union Road, Lincoln. For the rest of our menu we source a little closer to home and offer wonderful homemade fare, expertly prepared from the freshest and best locally sourced ingredients.
