

The majority of our food is prepared to order so please be patient at busy times; it will be worth the wait!

Stokes' will make every effort to comply with the dietary requirements of our guests and wherever possible will exclude requested food items, ingredients and allergens from the dishes that we serve. However, as Stokes' prepares all its food in centralized kitchens, allergen based meals are prepared in the same area as allergen free meals, we cannot therefore guarantee absolute separation, and cannot take responsibility for any adverse reaction that may occur.

Stokes High Bridge Café is proud to offer the finest & freshest locally sourced ingredients, trying our best to be responsible and kind towards the environment. We take great pride in producing home cooked & home baked food to satisfy our discerning clientele.
